9. **Neighbouring Tenants**

The Municipal Act requires that owners and 'tenants in occupation' of the subject parcel and of neighbouring parcels be notified of the application for a development variance permit. As it is not possible for the City to be aware of the names and mailing addresses of all tenants, the applicant shall supply, at the time of submission of this application, a full list of all tenants of each parcel any part of which lies within 60 metres (197 feet) of any parcel involved in the permit application not currently owned by the applicant.

For most purposes, "tenant" means one who is qualified to maintain an action for trespass, but it can also mean a person who occupies publicly owned land. It is not necessary to supply names of owners of property currently occupied by someone else, this will be done by the City.

Please print the tenants names and their mailing addresses on a separate sheet and attach to this application.

10. **Attendance at Advisory Planning Commission Meeting**

The Municipal Act entitles applicants and/or their agents to attend and be heard at a meeting of the Advisory Planning Commission (A.P.C.) if a meeting is to be held. If you or your agent wish to attend this meeting indicate your intentions in the appropriate space below. This will aid the Advisory Planning Commission in making the necessary arrangements to inform you of the date, time and place of the meeting if one is to be held.
