INTER-COMMUNITY BUSINESS LICENCE APPLICATION

Inter-Community Business – means a business that performs a service or actively in more than one community by moving from client to client rather than having a client come to a fixed place of business. This includes but is not limited to trades, plumbers, electrician, cleaning services, pest control or other similar businesses.

An Inter-Community Business does not include businesses selling goods or services from fixed or semifixed locations where customers come to them. (eg. Fruit stands, roadside vehicle vendors, mobile stores, flea markets, concession stands and trade shows.)

The fee for an intercommunity business licence is \$85.00 and is separate and additional to any municipal business license fee which may be required.
