

Garbage

Garbage will be picked up on a biweekly schedule, alternating with recycling weeks. City-issued bear-resistant garbage carts should be placed on curb by 7:00am on the morning of your collection day according to the following guidelines;

- Remember to unclip your bear-resistant locks on collection day;
- Place cart at the curb so that the lid opens towards the street (the arrow on the lid should point to the street);
- Ensure the cart is at least 1 metre away from any obstacle (blue boxes, vehicles) and that there is 3 metres of clearance above the cart.

Garbage carts should be locked and stored inside a secure building or secured to a post to prevent human-wildlife conflict between collection days.

Recycling

All accepted recyclable material should be sorted into separate blue boxes or other water resistant bins as described below and placed on the curb by 7:00 am on the morning of your biweekly collection day.

- Please empty and rinse all containers
- Recycling must be pre-sorted into separate bins for Mixed Paper and for Mixed Containers (use as many bins that you need).
