Fortis BC is coming to Castlegar!

The new Fortis BC Kootenay Operations Centre has been approved today by the British Columbia Utilities Commission. “Fortis’ decision to locate the regional service centre here in Castlegar recognizes that Castlegar is the centrally located community in the West Kootenay for new investment”, said Mayor Chernoff. “The multi-million dollar project will bring over 100 new jobs to our community. We welcome Fortis BC and their employees to our community”.
