"*RCMP*" means the Royal Canadian Mounted Police;

3. Application of Bylaw

3.1 which is licensed by any government or governmental agency having the jurisdiction to do so;

3.2 held by a board of school trustees under the School Act; or

3.3 held by the City.

4. Permit Required

No special event may be held or be permitted to be held in the City unless a permit for that special event has been obtained as provided in this bylaw.

5. Obtaining a Permit

The registered owner or the occupier of land on which a special event is to be held must obtain a permit for that special event. An application for a permit must be made at least forty-five (45) days before the date on which

the special event is to be held or begin. An application for a permit must be made in the form set out in Schedule "A" to this bylaw. The application must be accompanied by:

- 5.1 the written consent of the registered owner of the land where the special event is to be held, if it is to be held by someone other than the registered owner of the land;
- 5.2 a document in which the medical health officer, as that term is defined in the Health Act, for the place in which the special event is to be held expresses his or her satisfaction, that sufficient arrangements have been made for the following facilities and services for the special event, as applicable:
 - 5.2.1 drinkable water supply,
 - 5.2.2 toilet facilities,
 - 5.2.3 waste collection and removal facilities, and
 - 5.2.4 food and drink storage, dispensing, preparation and use.
- 5.3 a document in which the officer in charge of the Castlegar detachment of the R.C.M.P. or the commanding officer of any other police force having jurisdiction, as the cause may be:
 - 5.3.1 expresses his or her satisfaction that sufficient arrangements have been made for the following, as applicable:

- 5.5 security of policing and other costs required under Sections 6 or 7, and
- 5.6 a document setting out in reasonable detail, that arrangements have been made for first aid care and facilities for the special event.

6. Security of Policing Costs

A permit may not be issued until the applicant has delivered to the City the estimated amount of policing costs, established as provided for in Section 5.5. The amount must be delivered in cash or by certified cheque. The amount is to be used by the City to pay the RCMP or other police force having jurisdiction, or both, of the actual costs incurred in policing the special event. The City may pay its actual costs from the amount deposited under this section to the RCMP or other police force after the special event. Payment of the amount does not affect the applicant's obligation to pay all those costs. If the policing costs exceed the amount deposited under this section, the excess of the actual costs must be paid at once by the Applicant to the RCMP or other police force having jurisdiction, or both. If the policing costs, as certified by the RCMP or other police force having jurisdiction, or both, are less than the amount paid to the City under this section, the City must refund the remaining amount as soon as is practical. No interest is payable on any amount paid to the City under this section.

7. Responsibility for Costs

The applicant is responsible for all costs incurred or connected with the special event, including the cost of providing policing for the special event and for cleaning up the site after the special event. Without affecting Section 6, the City may require as a condition of issuance of a permit that the applicant deliver to the City security for costs to clean up the site after the special event. Section 6 applies to this section with the necessary changes.

8. Offence

It is an offence punishable under the Offence Act:

8.1 for any person to hold a special event, or to permit a special event to be held, without a permit on land of which they are registered owner or the occupier, or

8.2. for any person to hold a special event without a permit.

9. This bylaw shall come into full force and effect upon adoption.
