

CASTLEGAR

TOILET REBATE PROGRAM

INSTALL A LOW-FLUSH TOILET AND
RECEIVE A UTILITY TAX REBATE.

The City of Castlegar's Toilet Rebate Program provides a utility tax rebate to single and multi-family homeowners who replace an existing 13-litre toilet or greater with a low-flush toilet (6-litre or less).

- High volume (13-litre or greater) toilets can account for over one quarter of water use in the average home.
- Installing a 6-litre or less low-flush toilet could save more than 70 litres of water every day per family member and, when combined with a water meter, should put money back into your pocket.
- As of September 30, 2005, the provincial Water Conservation Plumbing Regulations have required that all new homes install low-flush toilets.
- Low-flush toilets can perform as well as (or even better than) large volume units.

***Look for a toilet that has a MAP rating of at least 1000 grams per flush for best flushing performance.**

Get Started:

1. **Locally purchase** and install a new CSA or Warnock Hersey certified 6-litre or HET (4.8L or less) dual-flush toilet.
2. Take a photograph of the old toilet in place and a photograph of the newly installed toilet in place. ****Resident submitting rebate application should be in both photographs.**
3. Submit your completed application form (including photos) and **original** paid receipt indicating 6 litre or HET dual-flush toilet purchased to:

City of Castlegar
460 Columbia Avenue
Castlegar, BC V1N 1G7

toilet
4. A rebate credit of **\$75 for 6-litre** toilet or **\$100 for HET 4.8 litre or less** toilet (maximum two rebates per household) will be credited to your utility bill once eligibility has been established.

- The Toilet Rebate Program applies to installations in single and multi-family homes constructed prior to March 15, 2010.
- Industrial, commercial and other non-residential properties are not eligible at this time.
- There is a one-year maximum of two rebates (maximum \$200) per single or multi-family dwelling credited to your utility bill.
- The program is funded to a maximum of \$1,000 for 2026. Submitting an application does not guarantee a rebate, each application will be evaluated and processed on a first-come, first-serve basis.
- Toilets must be new 6-litres or less, CSA or Warnock Hersey certified and be purchased from a local supplier.
- Toilets may be installed by the resident or by a licensed plumber (toilet replacement does not require a plumbing permit).
- If a resident applies for the toilet rebate in the year the toilet was purchased and program funding had been maximized for the current year, the resident would be able to submit a rebate application if funding is available in the following year.
- This rebate offer may be withdrawn at any time without notice.
